Camp Mission

The Panther Hoop School is designed to teach the game of basketball in an intense and fun environment. The staff prides itself on teaching fundamentals of not only how to play, but how to practice. This camp will be challenging to all players regardless of their basketball ability. The Hoop School will allow younger players the opportunity to learn and develop a passion, hunger, and desire to play the game of basketball! We look forward to giving your child a week they will never forget during our 13th annual camp!

A camp store will be available throughout the days of camp offering a variety of drinks and snacks. Campers will be able to deposit money into an account and use during the week. Lunch is not provided. Campers who do not pack a lunch will have the option of ordering sandwiches or pizza that will be ready at lunch time.
